The Report on the Nature and Impact of the Use of Dissolvable Tobacco Products on the Public Health: What to Expect

The nature and impact of the use of dissolvable tobacco products on the public health

907(f) DISSOLVABLE TOBACCO PRODUCTS.—

- **(1) REFERRAL; CONSIDERATIONS.—**The Secretary shall refer to the Tobacco Products Scientific Advisory Committee for report and recommendation, under section 917(c)(4), the issue of the nature and impact of the use of dissolvable tobacco products on the public health, including such use among children. In its review, the Tobacco Products Scientific Advisory Committee shall address the considerations listed in subsection (a)(3)(B)(i).
- **(2) REPORT AND RECOMMENDATION.—**Not later than 2 years after its establishment, the Tobacco Product Scientific Advisory Committee shall submit to the Secretary the report and recommendations required pursuant to paragraph (1).

Final Report

The report and recommendations will be:

- Deliberated on and finalized at the conclusion of this meeting.
- Made available to the public on FDA's website once it has been reviewed for redaction of any commercial confidential or trade secret information.

FDA Actions

- Once the report from TPSAC is received, FDA will consider the report and recommendations of the Committee, as well as other scientific evidence concerning dissolvable tobacco products and make a determination about what action(s), if any, are warranted.
- There is no required deadline or timeline for FDA to make such a determination.
- Any sale/distribution restrictions (Section 906(d)) or product standards (Section 907) are implemented through notice-and-comment rulemaking.

Today's Meeting
